Covid-19 Safety Protocols

In looking out for the health, safety and welfare of all attendees, everyone picking up a registration or badge (staff, delegate, trade show guest, exhibitor trade show booth personnel) must present one of two options for entry to CinemaCon 2022:

- Proof of full COVID-19 vaccination (digital copy of vaccination record will be accepted)
- OR a negative antigen/PCR COVID-19 test conducted within 72-hours of picking up credentials
- PLUS an appropriate photo ID matching the name on the required documentation.

Mask mandates will follow CDC/Clark County guidelines and will be published at <https://cinemacon.com/covid-safety-protocols>. **No exceptions will be made** to these health and safety protocols.

While we may have an official Covid Testing Facility on site, our recommendation is to arrive at registration with your required documentation in hand. Everyone will be given a wristband that must be shown when entering officially scheduled events at the show.

Please check the web site on a regular basis for updates to the current Covid-19 mask and safety protocols at <https://cinemacon.com/covid-safety-protocols>

Badges and Required Identification

You will be required to show a current, valid government picture ID (driver's license, passport, etc), plus proof of full Covid-19 vaccination or proof of a negative Covid-19 test to receive your CinemaCon badge and other materials. Be sure to check the schedule at www.cinemacon.com for registration hours and locations. Your badge and wristband should be worn at all times and are required for admission to all events.

Substitution and Changes

Substitutions are allowed with the permission of the original registrant. A substitution is a straight transfer of registration credentials with no adjustment to the registration category or payment. If a change to the registration category or payment is required, the original registrant will be canceled with a \$100 administrative fee and the new registrant will be processed at the prevailing rate.

Refunds and Cancellations

Registrants who are unable to attend may substitute another person. In the event no substitution can be made, CinemaCon will process a refund minus a \$100 processing fee through 31 March. Cancellations received after 31 March, as well as unused registrations or tickets, will not be refunded. CinemaCon will not be responsible for any variances in exchange rates between the original charge and refund.

In the event CinemaCon 2022 cannot take place, all paid registrants will be given the option of a full refund or a transfer to the next scheduled CinemaCon.

Submit requests to the Registration Center by 31 March to cinemacon2022@anidealpartner.com.

Privacy Policy

By submitting a registration for CinemaCon, the Official Convention of NATO, you agree you have reviewed and accept the privacy policies of [CinemaCon](#) and the [National Association of Theatre Owners \(NATO\)](#) describing how your personal information will be collected, used and shared.
